The Superintendent presented estimates for the 2017-2018 educational spending plan. He indicated the development of the budget proposal was once again both a rewarding and challenging process.

The total budget request presented an increase of \$1,750,072 or 2.49% over last year's budget. The Superintendent indicated the budget includes no new personnel or programs.

The Superintendent indicated the budget proposal for 2017-2018 was developed based on the guidelines provided by the Board of Education to the Superintendent of Schools last fall. The Superintendent indicated the budget proposal recognizes the state of the economy in the State of Connecticut while still balancing the needs of the school district and community.
